ACCESS STATEMENT

FOR PARC WERNOL

The park is situated 1 mile outside the nearest village and 4 miles from Pwllheli and Cricieth. There is a regular bus service from Chwilog (1 mile), Train Station at Pwllheli (4 miles) and Bangor (25 miles).

There is an excellent mobile phone reception from the park for most networks.

The park has static caravans and chalets.

The majority of units are considered accessible, however due to restricted layout, they are not considered suitable for independent wheelchair users.

There is one step and storm guard to the Chalet and normally two to three steps to each caravan. There are no steps inside the units.

Parking directly outside reception on tarmac drive. Parking outside all units on grass.

Level or low ramp access to all facilities except lake.

There is approx half a mile walk, on a slope from the park to the lake, across open fields, therefore not suitable for wheelchair users.

Flat tarmac roads with well marked speed ramps. Street Lighting.

FARMHOUSE

Parking outside on tarmac drive, one step to garden, one step and storm guard to house. Street Lighting.

No steps on ground floor.

There is a steep staircase to the bedrooms and bathroom.

Downstairs toilet with basin under staircase.

We will make reasonable provisions for people with disabilities to make their stay as enjoyable as possible.

If a member of your party has a disability please telephone to check on the suitability of our facilities for you.
